INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF POOJA LOGISTICS LIMITED
(Formerly Known as Pooja Logistics Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statement of **POOJA LOGISTICS LIMITED** ('The Company') which comprises the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss Account, Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements"), which we have signed under reference to this report.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 (the "Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31st March, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and informing our opinion there on, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our Auditor's Report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

We have nothing to report in this regard.

Responsibility of Management and those charged with governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with accounting principles generally accepted in India, including Accounting Standards specified under section 133 of the Act. This responsibility also includes responsible the maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company's to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- I. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the cash flows are dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors of the Company as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The details of the pending litigations are disclosed in the notes to the standalone financial statements.
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There were no such amounts appearing in the books which are required to be transferred to the Investor Education and Protection Fund by the company.
- iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;
- b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall: directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i)(a) and (i)(b) contain any material misstatement.
- v. The Company has not paid/declared any dividend during the year.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.
2. The Companies (Auditor's Report) order, 2020 ("the order") issued by the Central Government of India in terms of subsection (11) of section 143 of the Act, we give in the Annexure B, a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.

Annexure - A to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **POOJA LOGISTICS LIMITED** ("the Company") as of 31st March, 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial statements for the year ended 31st March 2025

The previous year figures have been regrouped / reclassified, wherever necessary to confirm to the current year presentation.

SIGNIFICANT ACCOUNTING POLICIES & NOTES ON STANDALONE STANDALONE FINANCIAL STATEMENTS**Note No. :1****1(a) Corporate Information/Background**

Pooja Logistics Limited, logistics company, engaged in temperature-controlled logistics service provider in the transportation of perishable goods across India through refrigerated trucks (reefers). Incorporated on 9th December, 2011, in New Delhi, the company is providing cold chain solutions to various industries.

The Company serve businesses in confectionery, dairy, quick-service restaurants (QSR) and e-commerce industries. The companies diverse fleet consists of trucks of various designs, sizes and capacities, allowing the company to handle a broad range of consignments. The Company fulfil customer requirements by providing vehicles on a trip-to-trip basis, monthly contracts, long term agreements. The Company has obtained certifications from FSSAI for facilitating the delivery of perishable goods.

1(b) Summary of significant accounting policies**I. Basis of Preparation**

These standalone financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on an accrual basis. These standalone financial statements have been prepared to comply in all material aspects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended), specified under section 133 and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in the Schedule III (Division I) to the Companies Act, 2013. Based on the nature of goods/services and the time between the sale of goods/ rendering of services and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

II. Use of estimates

The preparation of standalone financial statements requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of the reporting period. Although, these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

III. Property, Plant and Equipment**Tangible assets**

Tangible assets, capital work in progress are stated at cost, less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price, borrowing costs, if capitalization criteria are met and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/ acquisition and exclusive of input tax credit (IGST/CGST and SGST) or other tax credit available to the Company.

When parts of an item of tangible assets have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent expenditure relating to tangible assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Chief Financial Officer

IV. Depreciation on property, plant and equipment

Based on management's evaluation, useful life prescribed in Schedule II of the Companies Act, 2013 represent actual useful life of property, plant and equipment. The Company uses written down value method and depreciation is provided on pro-rata basis on the carrying amount of property, plant and equipment. The carrying amount is calculated after reducing 5% of the value of property, plant and equipment as residual value. The Company has used following useful lives to provide depreciation of different class of its property, plant and equipment.

Particulars	(Useful life in years)
Plant and Machinery	5
Plant and Machinery- Solar Power Plant	25
Computer	3
Building - RCC frame structure	60
Building other than RCC frame structure	30
Furniture and fixtures	10
Office equipment	5
Vehicle	8
Trucks	6

The Company has adopted Schedule II to the Companies Act, 2013 which requires identification and determination of separate useful life for each major component of the property, plant and equipment, if they have useful life that is materially different from that of the remaining asset. (Component Accounting)

The Company performs assessment of useful life of property, plant & equipment once a year, generally at each year end.

Depreciation on addition to tangible assets is provided on pro-rata basis from the date the assets are ready for intended use. Depreciation on sale/ discard from tangible assets is provided for upto the date of sale, deduction or discard of tangible assets as the case may be.

V. Impairment of Assets

In accordance with Accounting Standard (AS) 28 on 'Impairment of Assets', the carrying amount of the Company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets' recoverable amount is estimated. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the assets belongs) is estimated at the higher of its net selling price and its value in use. An impairment loss is recognized whenever the carrying amount of the assets or cash-generating unit exceeds its recoverable amount.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

VI. Borrowing Costs

Borrowing cost Includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that takes a substantial period of time to get ready for its intended use are capitalized. All other borrowing costs are recognized as expenditure in the period in which they are incurred.

VII. Investments

Accounting Policy and Treatment

Investments represent assets held by the Company for the purpose of earning income by way of dividends, interest, and rentals, for capital appreciation, or for other benefits to the investing enterprise. Investments are classified into **current** and **long-term** categories based on the intention and ability of the Company at the time of acquisition.

Classification of Investments

1. **Current Investments:**

Investments that are readily realizable and are intended to be held for not more than **twelve months** from the date of acquisition or the balance sheet date, whichever is earlier, are classified as current investments. These are typically in the nature of marketable securities such as equity shares, debentures, mutual funds, commercial paper, etc., which are held for the purpose of short-term deployment of surplus funds.

2. **Long-term Investments:**

All investments other than current investments are classified as long-term investments. These are generally held with the intention of strategic association, capital appreciation, or earning regular income, and are not meant for sale in the short term.

Measurement and Initial Recognition

All investments are initially recognized at **cost**, which includes the **purchase price** and any **directly attributable acquisition costs**, such as brokerage, fees, stamp duties, and applicable taxes. The following principles apply in case of non-cash consideration:

- Where investments are acquired by way of issue of the Company's own equity shares or other securities, the cost of the investment is determined based on the **fair value of the securities issued**.
- If investments are acquired in exchange for another asset, the acquisition cost is measured at the **fair value of the asset given up** or the **investment acquired**, whichever is more clearly determinable.

Subsequent Measurement

• **Current Investments:**

Current investments are carried in the standalone financial statements at the **lower of cost and fair value**. The comparison of cost and fair value is made **individually for each investment**. Any reduction in carrying amount and any reversals of such reductions are recognized in the Statement of Profit and Loss for the period.

• **Long-term Investments:**

Long-term investments are carried at **cost**. However, a provision for **diminution in value** is made in the standalone financial statements to recognize a **decline, other than temporary**, in the value of such investments. The determination of whether a decline is other than temporary involves judgment and is based on a variety of factors, including the duration and extent to which the fair value has been less than cost, the financial health of the investee, industry and sector performance, and operational and funding issues affecting the investee.

Disposal and Gains/Losses on Sale

On **disposal or sale of an investment**, the difference between the **carrying amount** of the investment and the **net disposal proceeds** (i.e., sales consideration less directly attributable selling expenses) is recognized as **income or expense** in the Statement of Profit and Loss for the period in which such disposal takes place.

The cost of the investment sold is determined on a **First-In-First-Out (FIFO)** or **Weighted Average Cost** basis, depending on the method consistently adopted by the Company.

DEEPAK KHANNA
Managing Director

AJAY RAJPAL
Chief Financial Officer

VIII. Revenue recognition

Revenue is recognized when there is no significant uncertainty as to its measurability or collectability and when it is probable that the economic benefits associated with the transaction will flow to the Company. In accordance with the principles laid down under AS-9, revenue is measured at the gross inflow of economic benefits arising from the ordinary activities of the Company and is recognized net of applicable indirect taxes such as Goods and Services Tax (GST).

Revenue from Services – Freight Income

In the case of freight and logistics services, revenue is recognized upon the rendering and completion of services, which is deemed to occur when the consignment or shipment is successfully delivered at the customer's designated destination. The completion of service is evidenced by the receipt of a valid and acknowledged 'Proof of Delivery' (POD) from the consignee or authorized recipient at the destination point.

The Company follows a consistent policy of recognizing revenue only when the following conditions, as prescribed under AS-9, are satisfied:

1. **The service is completed or substantially completed:** Delivery of the goods or consignment marks the substantial completion of the freight service. No revenue is recognized for part-deliveries unless such deliveries represent separately billable milestones or contractual deliverables.
2. **No significant uncertainty exists regarding the amount of consideration:** The freight charges are contractually agreed upon with the customer before service commencement, and the Company ensures that the consideration is fixed or determinable.
3. **It is reasonably certain that the economic benefits will flow to the Company:** Revenue is recognized only when the Company has reasonable assurance of the customer's ability and intention to pay for the services rendered.

In cases where payments are received in advance for freight services that are yet to be rendered (i.e., where delivery has not occurred), such amounts are not recognized as revenue but are instead recorded as *Advance from Customers* under current liabilities until the conditions for revenue recognition are fulfilled.

The Company does not recognize revenue in cases where significant risks or obligations related to service performance remain outstanding at the reporting date.

Revenue is recorded exclusive of Goods and Services Tax (GST), service tax, or any other indirect taxes, in line with the guidance provided under AS-9.

Interest income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and applicable interest rate.

Dividend income

Dividend is recognized when the Company's right to receive dividend is established.

IX. Retirement and other employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus etc. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expenses in the Statement of Profit and Loss in the period in which the employee renders the relevant service.

DEEPAK KHANNA
Managing Director

AJAY RAJPAL
Chief Financial Officer

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company's obligation is limited to the amount it contributes to the fund. The following are recognized as defined contribution plans:

- **Provident Fund:**

The Company makes monthly contributions to the Employees' Provident Fund in accordance with the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. These contributions are made to a government-administered fund or a recognized trust.

The Company has no obligation other than the contribution payable. The contributions are charged to the Statement of Profit and Loss in the period in which the employee renders the related service.

- **Employee State Insurance (ESI):**

Where applicable, contributions are made to the Employee State Insurance Corporation in respect of eligible employees in accordance with the Employees' State Insurance Act, 1948. These are recognized as an expense in the Statement of Profit and Loss in the period in which the employee renders the related service. The Company's liability is limited to the extent of the fixed contributions.

Defined Benefit Plan- Gratuity

The Company provides for retirement benefits in the form of Gratuity Benefits payable to eligible employees of the company with respect to gratuity, a defined benefit plan is accounted for on the basis of an actuarial valuation as at the Balance Sheet date. In accordance with the Payment of Gratuity Act, 1972, the plan provides for lump sum payment to vested employees on retirement, death while in service or on termination of employment an amount equivalent to 15 days' basic salary for each completed year of service. Vesting occurs upon completion of five years of service.

X. Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks with original maturities of three months or less.

XI. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using effective interest method.

XII. Income taxes

Tax expense for the period comprises of current tax, deferred tax and Minimum alternate tax credit

Provision for current tax made on the basis of estimated taxable income for the current accounting year in accordance with the Income-tax Act, 1961.

Current tax assets and current tax liabilities are offset when there a legally enforceable right to set off the recognised amounts, and there is an intention to settle the asset and the liability on a net basis.

Adjustments to income taxes related to prior periods arise from changes in estimates or resolutions of tax positions taken in earlier years. These adjustments are recognized in the period in which they are identified, in accordance with the relevant accounting standards. The impact of such adjustments is included in the tax expense of the period unless they relate to items previously recognized outside profit or loss adjustments to income tax relating to prior periods are recognized in the period in which the error or change is identified. These adjustments may arise from reassessments by tax authorities, changes in management's judgment regarding tax positions, or corrections of errors in previous period tax calculations.

The deferred tax for timing differences between the book and tax profits for the year is accounted for, using the tax rates and laws that have been substantively enacted as of the reporting date.

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using

DEEPAK KHANNA
Managing Director

AJAY RAJPAL
Chief Financial Officer

the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and are written-down or written up to reflect the amount that reasonably/ virtually certain (as the case may be) to be realised.

At each reporting date, the Company reassesses the unrecognized deferred tax assets, if any.

XIII. Contingent Liability, Provisions and Contingent Asset

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

The Company records a provision for decommissioning, restoration and similar liabilities that are recognized as cost of property, plant and equipment. Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognized as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognized in the statement of profit and loss as a finance cost.

In accordance with the applicable accounting standards, a disclosure for a contingent liability is made when there is:

- a possible obligation that arises from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of uncertain future events not wholly within the control of the entity; or
- a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources will be required to settle the obligation, or the amount cannot be measured with sufficient reliability.

XIV. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares are adjusted for events such as bonus issue, bonus element in the rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

XV. Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, are shown as unallocable items.

XVI. Corporate Social Responsibility

In accordance with the provisions of Section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014, as amended from time to time, the Company is required to spend a specified amount towards Corporate Social Responsibility (CSR) activities as prescribed under the Act.

The Company discharges its CSR obligation by making contributions to eligible projects or initiatives that are aligned with the activities specified under Schedule VII to the Companies Act, 2013, such as promoting education, healthcare, rural development, environmental sustainability, and other socially beneficial programs.

DEEPAK KHANNA
Managing Director

AJAY RAJPAL
Chief Financial Officer

The amounts incurred towards CSR activities are recognized as an expense in the Standalone Statement of Profit and Loss in the period in which such contributions are made or when the liability to make the contribution is incurred, whichever is earlier.

The Company does not capitalize any CSR expenditure, nor does it recognize any asset arising from such expenditure, as the same does not generate economic benefits to the Company and is incurred in compliance with a statutory obligation for the benefit of the society at large.

Any unspent CSR amount, if applicable, is dealt with in accordance with the requirements of the Act, including transfer to a specified fund or earmarked account, as the case may be.

Ratio	Numerator	Denominator	C.Y. Ratio	P.Y. Ratio	% Change	Reason for variance (greater than 25%)
(a) Current Ratio	Current Assets	Current Liabilities	1.94	1.47	31.97	The increase in the Current is primarily due to a proportionately higher growth in current assets compared to current liabilities during the period.
(b) Debt-Equity Ratio	Long Term Debt + Short Term Debt	Shareholder equity	1.20	2.02	-40.59	The decrease in the ratio is due to partial repayment of term loans and improved equity base due to internal accruals, resulting in lower debt proportion.
(c) Debt Service Coverage Ratio	Net Profit after Taxes + Non-cash expenses like Depreciation and Amortisation + Interest (Finance Cost) + Other Adjustments (like loss on sale of fixed assets, if applicable)	Total principal + Interest on Borrowings	4.58	7.18	-35.93	The decline is primarily attributable to higher interest and principal repayments during the year, reducing the coverage despite steady operational profits.
(d) Return on Equity Ratio	Earning After Interest, tax, Depreciation & Amortisation	Average Shareholder's Equity	0.45	0.47	-4.26	Not Applicable
(e) Inventory turnover ratio	Turnover	Average Inventory	0.00	0.00	0.00	Not Applicable

35. Contingent Liability**a) Legal Dispute – Civil Suit for Recovery of Dues**

A civil suit bearing Special Civil Suit No. 1912 of 2024 has been filed by NTEX Transportation Services Pvt. Ltd. before the Hon'ble Civil Judge (Senior Division), Pune, against the Company for recovery of an alleged outstanding amount of ₹9,09,811, along with interest, towards software services provided under a contractual arrangement.

The Company has disputed the claim and is contesting the matter. The management, based on legal opinion obtained, believes that the case is defensible on merits and does not expect any material liability to devolve upon the Company. Accordingly, no provision has been made in the books of account in this regard.

However, as the matter is sub judice, it has been disclosed as a contingent liability in accordance with the provisions of Accounting Standard (AS) 29 – *Provisions, Contingent Liabilities and Contingent Assets*.

b) Vehicle Traffic Challans / Violations

Deepak Khanna
DEEPAK KHANNA
Managing Director

Ajay Rajpal
AJAY RAJPAL
Chief Financial Officer

During the course of business operations, the Company's fleet of commercial vehicles may be subject to traffic challans or violations, which are inherent and incidental to the nature of the logistics and transportation business.

These charges are regularly settled by the Company on a case-to-case basis and are accounted for in the normal course of operations. As such, no significant or uncertain liability arises from these, and therefore, no provision is considered necessary in this regard under AS 29.

36. Defined benefit plan – Gratuity

The present value obligation is determined based on actuarial valuation using the projected unit credit method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligations. The summarized position of defined benefit plan is as under:

A. Actuarial Assumptions

	As at 31.03.2025	As at 31.03.2024
Discount rate (per annum)	6.72%	-
Expected rate of increase in compensation levels (p.a.)	8.00%	-
Retirement age (years)	60	-
Mortality table	100% of IALM (2012-14)	-
Withdrawal rate	10.00%	-

The discount rate has been determined by reference to market yield at the Balance Sheet date on government securities. The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF POOJA LOGISTICS LIMITED
(Formerly known as Pooja Logistics Private Limited)

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statement of **POOJA LOGISTICS LIMITED** (herein referred to as 'The Company') and its subsidiary (together referred to as "the group") which comprises the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss, Consolidated Statement of Cash Flows for the year ended, and notes to consolidated financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements"), which we have signed under reference to this report.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014, as amended, ("the AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, the consolidated profit and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Information other than the Consolidated Financial Statement and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information include in the Management Discussions and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and shareholder's Information, but does not include the consolidated financial statement and our auditor's report thereon.

Our opinion on the consolidated financial statement does not cover the other information and we do express any form of assurance conclusion thereon

In connection with our audit of consolidated financial statement, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statement or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and those charged with governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India, including Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are responsible for overseeing the Company's financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(5)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

We did not audit the financial statement and other financial information of subsidiary included in the consolidated annual financial statements that reflect for the year ended 31st March, 2025:

 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There are no such amounts which needed to be transfer to the Investor Education and Protection Fund by the Company.
- iv. a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned ...invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(c), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the year.

- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.

Annexure - A to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Consolidated Financial Statements of **POOJA LOGISTICS LIMITED** (herein referred to as "the Company") as of 31st March 2025 in conjunction with our audit of the consolidated financial statements which includes subsidiary for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Holding Company and its subsidiary, which are incorporated in India, internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated Financial Statements over financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements over financial reporting included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Consolidated Financial Statements over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control with reference to Consolidated Financial Statements over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements over financial reporting to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements of the Company, in so far as it relates to subsidiary which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiary incorporated in India.

SIGNIFICANT ACCOUNTING POLICIES & NOTES ON CONSOLIDATED FINANCIAL STATEMENTS**Note No.: 1****A. Basis of Consolidation**

The Consolidated Financial Statements relate to Pooja Logistics Limited (the Company), its Subsidiary.

1. Basis of Preparation

The consolidated financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), and the applicable guidelines issued by the Reserve Bank of India ('RBI'). The consolidated financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the consolidated financial statements are consistent with those followed in the previous year.

2. Use of Estimates

The preparation of consolidated financial statements requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of the reporting period. Although, these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

3. Principles of Consolidation

The Consolidated Financial Statements of the Company have been prepared on the following basis:

- a. The financial statements of the Company and its subsidiary company have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The intra group balances and intra group transactions and unrealized profits have been fully eliminated as per Accounting Standard 21- 'Consolidated Financial Statements' notified of the Companies Act, 2013.
- b. The excess of cost to the Holding Company of its investments in the subsidiary company over its share of equity of the Subsidiary company at the dates on which the investments in the Subsidiary company are made, is recognized as 'Goodwill' being an asset in the Consolidated Financial statements.
- c. Minority Interest in the net assets of consolidated subsidiary is identified and presented in the Consolidated Financial Statements separately from liabilities and equity of the Company's shareholders.
- d. Minority Interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to minority at the dates on which investments in the Subsidiary are made by the Company and further movements in their share in the equity, subsequent to the dates of investments as stated above.
- e. The Financial Statements of the Subsidiary used in the consolidation are drawn up to the same reporting date as that of the Company i.e. 31st March 2025.

B. Significant Accounting Policies**1. Basis of accounting: -**

These consolidated financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on an accrual basis. These consolidated financial statements have been prepared to comply in all material aspects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended), specified under section 133 and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in the Schedule III (Division I) to the Companies Act, 2013. Based on the nature of goods/services and the time between the sale of goods/ rendering of services and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

2. Use of Estimates

The preparation of Consolidated Financial Statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

3. Property, Plant & Equipment :-**Tangible assets**

Tangible assets, capital work in progress are stated at cost, less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price, borrowing costs, if capitalization criteria are met and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/ acquisition and exclusive of input tax credit (IGST/CGST and SGST) or other tax credit available to the Company.

When parts of an item of tangible assets have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent expenditure relating to tangible assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

4. Depreciation :-

Based on management's evaluation, useful life prescribed in Schedule II of the Companies Act, 2013 represent actual useful life of property, plant and equipment. The Company uses written down value method and depreciation is provided on pro-rata basis on the carrying amount of property, plant and equipment. The carrying amount is calculated after reducing 5% of the value of property, plant and equipment as residual value. The Company has used following useful lives to provide depreciation of different class of its property, plant and equipment.

The Company has adopted Schedule II to the Companies Act, 2013 which requires identification and determination of separate useful life for each major component of the property, plant and equipment, if they have useful life that is materially different from that of the remaining asset. (Component Accounting)

The Company performs assessment of useful life of property, plant & equipment once a year, generally at each year end.

Depreciation on addition to tangible assets is provided on pro-rata basis from the date the assets are ready for intended use. Depreciation on sale/ discard from tangible assets is provided for upto the date of sale, deduction or discard of tangible assets as the case may be.

5. Impairment of Assets

In accordance with Accounting Standard (AS) 28 on 'Impairment of Assets', the carrying amount of the Company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets' recoverable amount is estimated. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the assets belongs) is estimated at the higher of its net selling price and its value in use. An impairment loss is recognized whenever the carrying amount of the assets or cash-generating unit exceeds its recoverable amount.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

6. Borrowing cost:-

Borrowing cost Includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that takes a substantial period of time to get ready for its intended use are capitalized. All other borrowing costs are recognized as expenditure in the period in which they are incurred.

7. Investments :-

Accounting Policy and Treatment

Investments represent assets held by the Company for the purpose of earning income by way of dividends, interest, and rentals, for capital appreciation, or for other benefits to the investing enterprise. Investments are classified into **current** and **long-term** categories based on the intention and ability of the Company at the time of acquisition.

Classification of Investments

a. Current Investments:

Investments that are readily realizable and are intended to be held for not more than **twelve months** from the date of acquisition or the balance sheet date, whichever is earlier, are classified as current investments. These are typically in the nature of marketable securities such as equity shares, debentures, mutual funds, commercial paper, etc., which are held for the purpose of short-term deployment of surplus funds.

DEEPAK KHANNA
Managing Director

AJAY RAJPAL
Chief Financial Officer

b. Long-term Investments:

All investments other than current investments are classified as long-term investments. These are generally held with the intention of strategic association, capital appreciation, or earning regular income, and are not meant for sale in the short term.

Measurement and Initial Recognition

All investments are initially recognized at **cost**, which includes the **purchase price** and any **directly attributable acquisition costs**, such as brokerage, fees, stamp duties, and applicable taxes. The following principles apply in case of non-cash consideration:

- Where investments are acquired by way of issue of the Company's own equity shares or other securities, the cost of the investment is determined based on the **fair value of the securities issued**.
- If investments are acquired in exchange for another asset, the acquisition cost is measured at the **fair value of the asset given up** or the **investment acquired**, whichever is more clearly determinable.

Subsequent Measurement**• Current Investments:**

Current investments are carried in the consolidated financial statements at the **lower of cost and fair value**. The comparison of cost and fair value is made **individually for each investment**. Any reduction in carrying amount and any reversals of such reductions are recognized in the Statement of Profit and Loss for the period.

• Long-term Investments:

Long-term investments are carried at **cost**. However, a provision for **diminution in value** is made in the consolidated financial statements to recognize a **decline, other than temporary**, in the value of such investments. The determination of whether a decline is other than temporary involves judgment and is based on a variety of factors, including the duration and extent to which the fair value has been less than cost, the financial health of the investee, industry and sector performance, and operational and funding issues affecting the investee.

Disposal and Gains/Losses on Sale

On **disposal or sale of an investment**, the difference between the **carrying amount** of the investment and the **net disposal proceeds** (i.e., sales consideration less directly attributable selling expenses) is recognized as **income or expense** in the Statement of Profit and Loss for the period in which such disposal takes place.

The cost of the investment sold is determined on a **First-In-First-Out (FIFO)** or **Weighted Average Cost** basis, depending on the method consistently adopted by the Company.

8. Revenue Recognition: -

Revenue is recognized when there is no significant uncertainty as to its measurability or collectability and when it is probable that the economic benefits associated with the transaction will flow to the Company. In accordance with the principles laid down under AS-9, revenue is measured at the gross inflow of economic benefits arising from the ordinary activities of the Company and is recognized net of applicable indirect taxes such as Goods and Services Tax (GST).

Revenue from Services – Freight Income

In the case of freight and logistics services, revenue is recognized upon the rendering and completion of services, which is deemed to occur when the consignment or shipment is successfully delivered at the customer's designated destination. The completion of service is evidenced by the receipt of a valid and acknowledged 'Proof of Delivery' (POD) from the consignee or authorized recipient at the destination point.

DEEPAK KHANNA
Managing Director

AJAY RAJPAL
Chief Financial Officer

The Company follows a consistent policy of recognizing revenue only when the following conditions, as prescribed under AS-9, are satisfied:

1. **The service is completed or substantially completed:** Delivery of the goods or consignment marks the substantial completion of the freight service. No revenue is recognized for part-deliveries unless such deliveries represent separately billable milestones or contractual deliverables.
2. **No significant uncertainty exists regarding the amount of consideration:** The freight charges are contractually agreed upon with the customer before service commencement, and the Company ensures that the consideration is fixed or determinable.
3. **It is reasonably certain that the economic benefits will flow to the Company:** Revenue is recognized only when the Company has reasonable assurance of the customer's ability and intention to pay for the services rendered.

In cases where payments are received in advance for freight services that are yet to be rendered (i.e., where delivery has not occurred), such amounts are not recognized as revenue but are instead recorded as *Advance from Customers* under current liabilities until the conditions for revenue recognition are fulfilled.

The Company does not recognize revenue in cases where significant risks or obligations related to service performance remain outstanding at the reporting date.

Revenue is recorded exclusive of Goods and Services Tax (GST), service tax, or any other indirect taxes, in line with the guidance provided under AS-9.

Interest income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and applicable interest rate.

Dividend income

Dividend is recognized when the Company's right to receive dividend is established.

9. Retirement and other employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus etc. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expenses in the Statement of Profit and Loss in the period in which the employee renders the relevant service.

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company's obligation is limited to the amount it contributes to the fund. The following are recognized as defined contribution plans:

- **Provident Fund:**

The Company makes monthly contributions to the Employees' Provident Fund in accordance with the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. These contributions are made to a government-administered fund or a recognized trust.

The Company has no obligation other than the contribution payable. The contributions are charged to the Statement of Profit and Loss in the period in which the employee renders the related service.

DEEPAK KHANNA
Managing Director

AJAY RAJPAL
Chief Financial Officer

- **Employee State Insurance (ESI):**

Where applicable, contributions are made to the Employee State Insurance Corporation in respect of eligible employees in accordance with the Employees' State Insurance Act, 1948. These are recognized as an expense in the Statement of Profit and Loss in the period in which the employee renders the related service. The Company's liability is limited to the extent of the fixed contributions.

Defined Benefit Plan- Gratuity

The Company provides for retirement benefits in the form of Gratuity Benefits payable to eligible employees of the company with respect to gratuity, a defined benefit plan is accounted for on the basis of an actuarial valuation as at the Balance Sheet date. In accordance with the Payment of Gratuity Act, 1972, the plan provides for lump sum payment to vested employees on retirement, death while in service or on termination of employment an amount equivalent to 15 days' basic salary for each completed year of service. Vesting occurs upon completion of five years of service.

10. Income taxes

Tax expense for the period comprises of current tax, deferred tax and Minimum alternate tax credit.

Provision for current tax made on the basis of estimated taxable income for the current accounting year in accordance with the Income-tax Act, 1961.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts, and there is an intention to settle the asset and the liability on a net basis.

The deferred tax for timing differences between the book and tax profits for the year is accounted for, using the tax rates and laws that have been substantively enacted as of the reporting date.

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and are written-down or written up to reflect the amount that reasonably/ virtually certain (as the case may be) to be realised.

At each reporting date, the Company reassesses the unrecognized deferred tax assets, if any.

11. Contingent Liability, Provisions and Contingent Asset

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

The Company records a provision for decommissioning, restoration and similar liabilities that are recognized as cost of property, plant and equipment. Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognized as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognized in the statement of profit and loss as a finance cost.

In accordance with the applicable accounting standards, a disclosure for a contingent liability is made when there is:

- a possible obligation that arises from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of uncertain future events not wholly within the control of the entity; or

DEEPAK KHANNA
Managing Director

AJAY RAJPAL
Chief Financial Officer

- a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources will be required to settle the obligation, or the amount cannot be measured with sufficient reliability.

12. Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

13. Cash flow statement

Consolidated Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

14. Goodwill on Consolidation

Goodwill arising from the consolidation of a subsidiary is recognized as an intangible asset in the consolidated financial statements. In accordance with applicable accounting standards, goodwill is not amortized but is subject to annual impairment testing, or more frequently if events or changes in circumstances indicate that it may be impaired. The impairment review is conducted at each reporting date, and any impairment loss is recognized immediately in the consolidated statement of profit and loss and is not subsequently reversed.

15. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares are adjusted for events such as bonus issue, bonus element in the rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

16. Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, are shown as unallocable items.

17. Corporate Social Responsibility

In accordance with the provisions of Section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014, as amended from time to time, the Company is required to spend a specified amount towards Corporate Social Responsibility (CSR) activities as prescribed under the Act. The Company discharges its CSR obligation by making contributions to eligible projects or initiatives that are aligned with the activities specified under Schedule VII to the Companies Act, 2013, such as promoting education, healthcare, rural development, environmental sustainability, and other socially beneficial programs.

DEEPAK KHANNA
Managing Director

AJAY RAJPAL
Chief Financial Officer

The amounts incurred towards CSR activities are recognized as an expense in the Standalone Statement of Profit and Loss in the period in which such contributions are made or when the liability to make the contribution is incurred, whichever is earlier.

The Company does not capitalize any CSR expenditure, nor does it recognize any asset arising from such expenditure, as the same does not generate economic benefits to the Company and is incurred in compliance with a statutory obligation for the benefit of the society at large.

Any unspent CSR amount, if applicable, is dealt with in accordance with the requirements of the Act, including transfer to a specified fund or earmarked account, as the case may be.

36. Contingent Liability**a) Legal Dispute – Civil Suit for Recovery of Dues**

A civil suit bearing Special Civil Suit No. 1912 of 2024 has been filed by NTEX Transportation Services Pvt. Ltd. before the Hon'ble Civil Judge (Senior Division), Pune, against the Company for recovery of an alleged outstanding amount of ₹9,09,811, along with interest, towards software services provided under a contractual arrangement.

The Company has disputed the claim and is contesting the matter. The management, based on legal opinion obtained, believes that the case is defensible on merits and does not expect any material liability to devolve upon the Company. Accordingly, no provision has been made in the books of account in this regard.

However, as the matter is sub judice, it has been disclosed as a contingent liability in accordance with the provisions of Accounting Standard (AS) 29 – *Provisions, Contingent Liabilities and Contingent Assets*.

b) Vehicle Traffic Challans / Violations

During the course of business operations, the Company's fleet of commercial vehicles may be subject to traffic challans or violations, which are inherent and incidental to the nature of the logistics and transportation business.

These charges are regularly settled by the Company on a case-to-case basis and are accounted for in the normal course of operations. As such, no significant or uncertain liability arises from these, and therefore, no provision is considered necessary in this regard under AS 29.

37. Defined benefit plan – Gratuity

The present value obligation is determined based on actuarial valuation using the projected unit credit method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligations. The summarized position of defined benefit plan is as under:

A. Actuarial Assumptions

	As at 31.03.2025	As at 31.03.2024
Discount rate (per annum)	6.72%	-
Expected rate of increase in compensation levels (p.a.)	8.00%	-
Retirement age (years)	60	-
Mortality table	100% of IALM (2012–14)	-
Withdrawal rate	10.00%	-

The discount rate has been determined by reference to market yield at the Balance Sheet date on government securities. The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Disclosure:

The increase in deferred tax asset during the year is primarily attributable to the creation of provision for gratuity, which is not allowable as a deduction under the Income Tax Act, 1961. The deferred tax asset arising from the difference in written down value of fixed assets continues to be recognized based on the applicable tax rate of **25.168%**.

39. Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006:

The Company has taken necessary steps to identify suppliers registered under the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act) based on information and declarations received from the vendors. The disclosure of amounts outstanding and interest due to such enterprises, as required under the MSMED Act, is as follows:
